Introducing the EVORA

The EVORA is a vandal-proof wall or ceiling mounted bulkhead luminaire with a steel base and an opal polycarbonate diffuser. Designed for use within subways, underpasses and tough urban environments.
EVORA

Product Benefits

- Attractive and efficient
- Ease of installation and maintenance
- SANS-IEC 60598 safety compliance and mark

Product Features

- Body of galvanised sheet steel with polyester powder coated finish
- Opal polycarbonate diffuser held against gasket by tamperproof screws
- Integral LED driver
- Provision for conduit entry in back and sides, gaskets provided
- LED life L80_B10 – 50 000 hours
- Driver life F10 – 100 000 hours
- Supply = 220–240V 50–60Hz PF>0.95
- Surge current (flicker) < 5%
- 5 year guarantee
