3-CIRCUIT TRACK

The comprehensive range of innovative accessories – like the twisted L and T connectors – gives the designer maximum freedom to create the ultimate track plan. The track can easily be shortened and the Ezclick mounting features make the track system quick and easy to install.

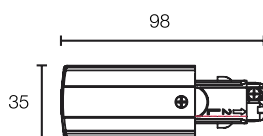

After cutting the track it's immediately ready to install and there is no need to adjust the wires.

PRODUCT CODE	PRODUCT DESCRIPTION	COLOUR	PACKAGE
PRO-0430-W	3M track (3000mm)	white	1/6
